Please note that the organization is to provide staff, water, table(s) and electricity with all rentals. Delivery and set up is not included in the listed rates. All equipment is subject to availability and sales tax.

Consignment Option

Games and booths discounted to $10ea. We program the games, you pay for used prizes & return the leftovers.

The Consignment option is great for school carnivals or other events that are intended to raise money while having fun and entertaining groups of at least 200 people. Limit the leftover prizes by using this method.

Call Fun Services for further details and help in deciding which package will work the best for you! Also to learn about our Wristband Carnival option and our multiple program discount!
